

# In Closing

NRHyA PRESIDENT EMMA HOLBROOK

“Congratulations  
to the incoming  
officer team and  
have fun in 2015!”

AND JUST LIKE THAT THIS YEAR HAS COME TO A CLOSE. IT'S BEEN A year full of adventures, life lessons, and friendships. I am so proud to have been able to serve on this year's officer team with such a wonderful group of officers and delegates by my side.

With my fellow officers, I was able to accomplish many things during my last officer term with NRHyA. We had the opportunity to attend two conferences; the AQHyA Youth Excellence Seminar and the American Youth Horse Council Symposium, where we were able to educate other youth in the horse industry on our fine sport through breakout sessions and networking.

This year, our team has met many influential horse industry members. I feel blessed to have been given all the opportunities that the NRHA provides us with. Fortunately, as an officer, I was able to meet many of my fellow youth members. No matter how cliché this may sound, you have all impacted my life in a way you will never know. I think I speak for my whole officer team when I say that we would have never had such an amazing year without being backed by such a great youth association!

I would like to end this by saying thank you to all the parents, youth members, and the NRHA staff who have made this year possible. The 2014 NRHyA Futurity meeting and youth activities were a blast and made the end of the year a memorable one. Congratulations to the incoming officer team and have fun in 2015!
