

# Time to Vote

NRHyA PRESIDENT EMMA HOLBROOK

“Cast your ballot now! That’s right it is election time and the NRHyA officer candidates are now on the youth website.”

CAST YOUR BALLOT NOW! THAT’S RIGHT IT IS ELECTION TIME AND THE NRHyA officer candidates are now on the youth website.

I would first like to say good luck to everyone who is running. I’ve been in your shoes many times and I know you’ve all worked really hard to get here. I also know that not everyone can win, and that’s okay! You will all, no matter the outcome, walk away from the NRHyA Futurity meeting with something valuable.

Attention everyone who’s not running! You can find the candidates on the NRHyA website page with a bio and reasons they want to represent you. Another feature on the page is online voting; directly after reading their bios you can vote for your favorite candidate. If you’d rather learn in person just attend the NRHyA Futurity meeting and listen to them tell you what they can do for you and vote in person.

The winners will be announced during the Futurity finals, so if you’re running stick around for your 30 seconds of fame!

Congratulations to all candidates on making it this far. I know you are all worthy of representing this great organization and I look forward to seeing what the 2015 team has in store.
