

Celebrate 2014

NRHyA PRESIDENT EMMA HOLBROOK

“The NRHA Futurity is just around the corner and it’s going to be filled with fun activities for everyone.”

IT’S GETTING CLOSER! WARM UP YOUR WHISTLES AND CHEERS AND GET ready to celebrate 2014 with the NRHyA officer team. The NRHA Futurity is just around the corner and it’s going to be filled with fun activities for everyone.

First of all, congratulations to everyone who made it back to your Regional Affiliate Finals; I know you all must be ecstatic. If you see us walking around feel free to stop us, introduce yourselves, and tell us what classes you’ve qualified in. We love to cheer on our fellow youth! Second, whether you’re planning on showing or not, the NRHyA officers have activities just for you!

Get ready to party with the officers at our Mardis Gras themed meeting. We will have lots of beads, masks, and games for everyone. We would like for all the youth, including delegates, at the Futurity to attend this meeting. It is extremely important for us to meet our fellow youth members and gain insight to what we could do differently or continue doing for our organization. We are hoping to meet some of the 2015 delegates and get your input on the upcoming year including; activities at the Derby and Futurity, conferences, RAF’s, and VRC. The officers and I are excited for this meeting and we are hoping everyone will have the time of their life.

We can’t wait to see everyone soon and don’t forget to sell raffle tickets!
