NRHyA PRESIDENT CLAIRE DITTRICH

“Be sure to get in touch with the officer team at the Futurity so we can get you involved right away!”

Hello fellow reiners! I have good news... the NRHA Futurity is almost here! As you all keep gearing up for it I would like to remind you of some important things going on during that time that you won't want to miss out on.

Move in for the Futurity begins on Tuesday, November 22 and we kick off the show with a delicious Thanksgiving dinner on Thursday, November 24 along with the first section of the Open Futurity prelims! The Platinum Performance Futurity Welcome Party is on Monday, November 28 at 5 p.m. in Barn 3. Later that week we will have the NRHA/Markel Futurity Prospect Sale Dinner, the ancillary youth 13 & under classes, and the famous NRHyA Meeting – all at the end of the week! Don't forget – the Cinch Non Pro Futurity Finals are on Friday too! Last but not least, the Open Futurity Finals are set for Saturday along with the 14-18 ancillary youth classes. It is going to be one busy week and a half but I encourage you to go to NRHA's website to download the Futurity schedule! It is so nice to have it right on hand.

I would like to wish everyone still competing in the Affiliate Regional Championships continued luck. I know these are tough shows as everyone wants to qualify for the Adequan® North American Affiliate Championship Show! I wish you all the best – keep up the hard work, it will pay off!

Finally, I would like to congratulate those who have already competed in their ARCs. I would also like to congratulate our newly-elected delegates. I know you have all shown lots of effort to get to those positions and I am proud of you for getting there. Be sure to get in touch with the officer team at the Futurity so we can get you involved right away!
